VLAZE

Experience our new enhanced VLAZE ADAPT cabinetry, now boasting exhilarating design upgrades. Our new platform uses 60 and 120 modules to allow you to effortlessly configure a complete outdoor kitchen with ease and endless possibilities. Discover a host of new optional internal features such as the pull-out bin, sliding shelves, and smooth-gliding drawers. Our grill cabinets are now equipped to seamlessly accommodate slide-in gas grills, expanding the culinary possibilities of your outdoor space.
