LUSSO 130/75 E/A

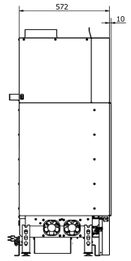

BIOETHANOL FIREPLACE

Lusso is a modern bioethanol fireplace that combines luxury, comfort and safety in an elegant design. Lusso requires no external power supply, allowing it to operate even during power outages. Control via remote control or mobile app enables the fireplace to be started within seconds, providing instant warmth and creating a cosy, inviting atmosphere.

TECHNICAL SPECIFICATION

Weight	315 kg
Dimensions	H 1516 mm W 1329 mm D 582 mm
Fuel type	Bioethanol > 96%
Fuel tank capacity	9.4 l
Fuel consumption	0.64 - 1.92 l/h
Minimum full-tank burn time	4.9 h
Maximum full-tank burn time	14.7 h
Finish	steel

ELECTRICAL SPECIFICATION

Power Supply	230V AC 50Hz
Supply Voltage	230 V
Supply Frequency	50 Hz
Supply Current	4.8 A
Max. Power Consumption at Start-up	1.1 kW
Max. Power Consumption During Operation	900 W
Max. Standby Power Consumption	5 W
Nominal Heat Output	12 kW
Heat Output Range	4 - 12 kW
Minimum Flame Height	5
Maximum Flame Height	30
